## Homosexual Marriage Ban Vote Re-Scheduled For Early June

**Action Needed! Help Send U.S. Senate One Million Letters Supporting Marriage Protection Amendment - 300,000 Already Sent!**

Dear Kevin,

The date for a vote on the federal Marriage Protection Amendment (MPA) by the U.S. Senate has been re-scheduled for the first week in June. **This constitutional amendment will make only marriage between one man and one woman legal.**

Your help is needed in sending one million emails to the Senate in support of the MPA. Three hundred thousand emails have all ready been sent.

Please send your two Senators an email, then forward this to your friends and family urging them to do the same. **Those pushing homosexual marriage are actively contacting their Senators.**

Please send your letters of support today! Ask members of your Sunday School class and church to send an email in support of the MPA. Ask your pastor to put an announcement in the church bulletin and newsletter. They can send an email by clicking on AFA.net.

Action Needed!

[Click here](#) to send your emails to your U.S. Senators. And we need your help in forwarding this to friends and family if we are to reach our goal.

If you think our efforts are worthy, please help us promote traditional marriage with a small donation by [clicking here](#).

Thanks for caring enough to get involved!

Sincerely,

Don
